SUMMARY

My passion has been to learn as much as I can about web development. I have spent the last couple of years building projects to perfect my craft. I have learned HTML, CSS, JavaScript, PHP, and Python.

EXPERIENCE

Freelance Internship -

Telephony757 / Hampton, VA | RHBIAM / Atlanta, GA | Flawless Flow / Richmond, VA

- Redesigned website for tech company to enhanced user experience.
- Developed new website for a nonprofit organization to increase visibility and message.
- Developed website for a personal trainer to brand awareness and enable customers to book appointments.

Installation Technician

Telephony757 / Hampton, VA / February 2020 – September 2022

- Installed, relocated, troubleshooted, and audited internet, cable, fax, and telephone services on client premise.
- Installed work area outlet for floor, modular furniture, and wall.
- Made and ran CAT6 cables on premises, set up Wi-Fi router, and tested system performance.
- Labelled, ran, clipped and/or tie wrapped cables to form nice bundles along the cable ran, including slack where needed.

HOBBIES

Mobile Development / AI / Responsive Design / Blogging / Gaming / Photography
